PRELIMINARY PROGRAMME MULTIDISCIPLINARY APPROACH TO LUNG CANCER 2014

THURSDAY, MAY 8th

9:00-16 hs Registration Open

12:30 hs  Industry Supported Symposium to be confirmed

14:00 hs  **Welcome Remarks**

  President AAMR  
  Delegate ALAT

14:15 hs  **Simposium ALAT**  
  Lung Cancer Screening: Do and Don’ts

  Mathías Prokop, MD  
  Ricardo Re, MD  
  Mariano Volpachio, MD

14:55 hs  **COPD and Emphysema, its relation with lung cancer and the relevance in a programme of screening with low dose CT**

  Javier Zulueta, MD  
  Eduardo Schiavi, MD  
  Eduardo Giugno, MD

15:35 hs  **Coffee Break**

16:00 hs  **First-line options for metastatic NSCLC**

  Federico Capuzzo, MD  
  Carlos Bas, MD  
  Karina Vera, MD

16:40 hs  **Stereotactic Body Radiotherapy**

  Hak Choy, MD  
  Gustavo Ferraris, MD  
  Carlos Cardiello, MD

17:20hs  **Balancing curability and unnecessary surgery in the context of CT screening for Lung Cancer**

  Raja Flores, MD  
  Gustavo Lyons, MD  
  Mariano Mandachain, MD
18:00 hs   Industry Supported Symposium to be confirmed

FRIDAY MAY 9th

8:00- 16 hs Registration

9:00 hs   Tobacco cessation

   Gustavo Zabert, MD
   Cristina Borrajo, MD
   Daniel Schoenfeld, MD

9:40 hs   Mechanisms of resistance to targeted agents

   Federico Capuzzo, MD

10:20 hs   Coffee Break

10:50 hs   Stereotactic Body Radiotherapy

   Hak Choy

11:30 hs   Video assisted pulmonary resections

   David Smith

12:15 hs   Industry Supported Symposium

14:00 hs   Current Surgical Management of Malignant Pleural Mesothelioma

   Raja Flores

14:40 hs   Treatment of the tumors of the airway

   Javier Zulueta

15:20 hs   Coffee Break

15:45 hs   Molecular Translocations in NSCLC

   Federico Capuzzo
16:25 hs  State of the Art: Multimodality Therapy for Lung Cancer
          Hak Choy

SATURDAY, MAY 10th

09:00 hs  Symposium  Solitary Pulmonary Nodule
          How to handle incidental pulmonary nodules  Mathias Prokop
          New diagnostic techniques  Javier Zulueta

10:00 hs  Clinical cases Pulmonary nodules
          Santiago Rossi

10:30 hs  Coffee Break

10:50 hs  Symposium  Locally advanced lung cancer
          Surgery for locally advanced lung cancer  Raja Flores
          Optimizing the Dose and Schedule of Radiation Therapy
          in Stage III NSCLC  Hak Choy

11:50 hs  Questions

12:00 hs  Closing remarks
